

Beginner – Help & FAQ

Help & FAQ within REDCap

The Help & FAQ page contains a number of questions and answers relevant to general use of the system. Make it your first point of reference if you get stuck, particularly for help with branching logic or calculated field expressions. The Help & FAQ tab appears at the top of your screen.

REDCap Help & FAQ

Note: The search feature only works WITHIN each topic. Be sure you click on the possible topic before starting your search.

No filter applied.

General

- How much experience with programming, networking and/or database construction is required to use REDCap? ▼
- Where can I suggest a new REDCap feature? ▼
- Can I still maintain a paper trail for my study, even if I use REDCap? ▼
- Can I transition data collected in other applications (ex: MS Access or Excel) into REDCap? ▼

From within a project, you can select it from the left-hand menu.
